

Our Mission

We are a camp dedicated to providing a positive, loving, and accepting environment where we serve as examples of Christian living, especially with children.

We dedicate ourselves to creating and fostering exciting spiritual, developmental, and recreational programs.

We are striving for long-term stability, efficiency, and security.

We pledge to share this mission more deeply with our current community and look forward to growth, and the opportunity to offer that mission to others.

Who We Are & What We Do

Camp Saint Andrews is a carefully planned and fully programmed week of recreation, emphasizing group and individual activities for youngsters from diverse backgrounds. The camp is conducted in an outdoor setting that encourages reflection on nature and the environment, and gives the children a sense of having a closer relationship with God. In this atmosphere, an emphasis is placed on recreational enjoyment, while growing as an individual and creating lasting relationships with others.

Our junior staff members and adult supervisors, many of whom attended Camp St. Andrews as campers themselves, are focused on providing a fun, high energy, and enthusiastic environment that encourages each child to actively participate in all of our programs.
